

# EDUCATION INFORMATION IN AYEYARWADY REGION

Pon Yate conducted a conference, "Information and Education Workshop in Preparation of 2020 Election Issues," from 20 to 31 August 2019. Over seventy people including members of parliament and the civil society leaders from 14 States and Regions participated in that workshop. Fifteen topics, including "Education," were discussed based on the facilitation questions.

## GOVERNMENT SCHOOLS IN AYEYARWADY REGION

## Findings and Recommendations from the Workshop

- Provide free, compulsory education that is student-centered and accessible.
- Provide sufficient quality teachers and infrastructure for schools.
- The Government should recognize community schools through a clear policy.
- Create a decentralized education policy.
- The Government should create a policy to use an understandable and common language in private schools. Also, ensure that public schools are equal and qualified compared to private schools.
- Coordinate all-inclusive and participatory research and assessment of the education system
- The Government should make parents and the community aware of the education laws.
- Entrance for higher education should not be decided by scores, but by the students' interests.
